

## *Global Student Services, USA, Inc.*

Dear Prospective Host,

Thank you for your interest in hosting students. Global Student Services, U.S.A, Inc. coordinates HOMESTAYS FOR STUDENTS & PROVIDES ONGOING MENTORING, GUIDANCE & LIASON SERVICES. We have been matching students from around the world with family/hosts for over 20 years. Our program has been responsible for creating lifelong friendships and relationships for people who would have otherwise, never met. And that's a beautiful thing!

Our students come from many countries to study at local universities and schools. Some come to learn English, others to pursue degree programs or attend trade/vocational schools. Our Host families are of many backgrounds and nationalities. They range from single people, single parents, families, professionals or retired persons. As the demand for host family services are always growing, we are in search of hosts who wish to open their heart & home to student(s) by providing companionship, guidance and sharing your life & experiences. You do not have to own your home, you just need to provide a clean, comfortable home for the students. And home is where the heart is.

Our program has three options:	Option A	Homestay without meals
	Option B	Homestay with breakfast daily
	Option C	Homestay with 2 Meals daily
	Option D	Homestay with dinner daily

All we ask is that you make the student feel like part of the family. For the Option 'B' & 'C', it is required that you supply breakfast, (or make breakfast items available) and also for Option 'C' & 'D' provide the student, a good, hot, healthy, home cooked dinner. (Absolutely NO T.V. Dinners).

We are also working with high school age students. Due to their younger age, the meal option available, is 2 meals daily on school days and 3 meals on non-school days or all meals inclusive. It does require more interaction and attention, possibly transportation...again, we want the students to feel like they are part of the family.

All hosts will receive compensation for host services. Payments vary depending on the location and options provided. Please refer to page 2 of the Host Services Agreement for host service fees in your area. For each full month that the student stays with you, you will receive the full amount. If the student is not with you for an entire month, then you will be paid on a pro-rated basis.

Enclosed is a copy of the Homestay application and Agreement for you to read through. Please fill them both out and return them to our office for processing. We will contact you to set up an interview shortly after we receive your completed correspondence. If you do not hear from us, it is most likely due to the fact that you may be in an area that we don't have much request for homestays. We will keep your application on file in the event that we do find something that would work for you.

We at Global Student Services, USA, Inc., strongly feel that Religion and Politics have absolutely no place in homestay. As Americans, we all have the right to our beliefs, practices and preferences and it is appreciated that the students, wherever they come from, be respected in their beliefs as well.

You may be required to do a live scan (fingerprinting) if a student is placed in your home. This applies to anyone all family members over 18 years old.

If you have any questions or concerns, please do not hesitate to contact our office and we will be happy to help you. We look forward to speaking with you soon. Thank you for your time and consideration.

Sincerely,

Michelle Willemse-Grogan
